Barking Hound Village

Review Highlights - "My dog loves it here. I open the car door and she runs inside." "The staff truly care for the dogs, and it shows when you pick them up. My experience with Barking Hound has been exceptional." "I am immensely pleased with the care provided to my pups. They live the good life at BHV, having many outside play times and a cozy, roomy place to relax when done. Both are sleeping contentedly right now, and I can travel with peace of mind in the future." "I wouldn't take my dog to day care anywhere else. And they have the best hours of any place in Austin!"
